Approval of Teaching Credit Instructions

Complete one application for each activity taught. (The same program in two locations would need two applications.)

Teaching is awarded as an incentive for attorneys to enhance or benefit the legal profession by teaching other attorneys; therefore teaching must be in association with an approved CLE program. Teaching directed to a non-attorney audience, while resulting in self-improvement as a form of self-study, does not qualify for teaching credit.

Preparation of written materials for an accredited program but not teaching the program will NOT qualify for either teaching or authorship credit.

Make sure your information is accurate. This form will serve as the affidavit for your participation. Hours will be added directly to your file unless there are modifications to the credit requested. Incomplete applications will be returned WITHOUT review.

Please remember to file within 30 days of activity.
Applications may be received at kscle@kscourts.org,
or by mail at the address above.

Do not include this
page with application.
